I messed up.  
Forgetting that the word  
I used for Tateno(King)'s  
specialty was "skinning", I used  
the term "stripping" instead.  
Sorry if that confused you.  
I'll be using "stripping" from  
now on. ~~Skining=Stripping~~  
Thank you, the\_hiroman  
for telling me!

IT'S  
COLA

why doesn't  
Shigoru even  
consider that  
"Malt-char"  
might be a  
hemorrhoid?
